

2LINE Athene KÜB

Cable overlength box

2LINE Athene KÜB

Article no.: 2LINE Athene KÜB

In combination with the 2LINE Athene BOX you can exploit all the advantages of modern in-house cabling. The 2LINE Athene KÜB enables you to accommodate excess length of cable assemblies, which are delivered cascaded for installation in empty conduits. Of course, it should be also ensured that the fibres are inserted and guided gently without bending below the prescribed radius.
