Scope of delivery:

- 1 pc. 2LINE Iris+ BOX (with integrated splice protection holder)
- 1 pc. Cable entry grommet with membrane (max. Ø7mm)
- 4 pcs. screws for strain relief at aramid yarn
- 1 pc. cable tie
- 1 set of wall fixing (universal dowels and screws)
- 1 pc. transparent window and label (printing according to customer's requirements possible)
- 1 pc. safety adhesive strip
- 1 pc. screw and nut for lock
- Assembly instructions via QR code
- Strain relief element (optional)
- Couplings and pigtails (yellow) included (optional)
- DIN - rail (optional)

Dimensions:

- HxWxD[mm]: 120x80x25

Tests/Standards:

- Protection class IP40
- Impact resistance IK07
- Fire protection class UL94 V0
