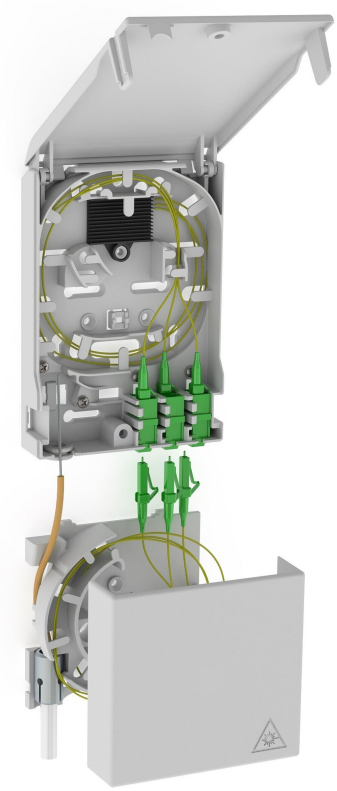
Fibre-optic termination point

With excess cable length box

2LINE G-BOX GF-AP Set5

Article no.: 3030354973

Accommodates up to 6 LC/APC pigtails and 3 LC duplex couplings.



Picture may differ from selected product

Facts

Advantages:

- Fast and simple connection without undesirable attenuations thanks to optimal fibre routing

Scope of delivery:

- Example: 2LINE G-BOX GF-AP Set6 + KUEB
- 1 piece of fibre-optic termination point with 12-slot splice holder
- 3 pieces of LC/APC pigtails
- 6 pieces of excess cable length box
- 1x excess cable length box
- Fastening and closure material

Dimensions:

- KÜB (HxWxD): 90x96x27mm
- Gf-AP (HxWxD): 135x96x27mm

Properties:

- Accommodates up to 3 LC duplex couplings and 6 LC pigtails
- For storing excess cable lengths

Material:

- PC/ABS-FR

Features

Special feature:	Gf-AP inkl. 5x LC/APC Pigtails
Type:	2Line Athene Box
